

Since its inception in 1985, AISTATS has been an interdisciplinary gathering of researchers at the intersection of artificial intelligence, machine learning, statistics, and related areas.

The Society organizes annual meetings where researchers gather to share their ideas. The next meeting will be held in 2021.

**APRIL 13th - 15th, 2021**

- Invited Talks
- Oral Sessions
- Affinity Groups
- Mentorship Sessions
- Poster Sessions

## INVITED SPEAKERS

**Emmanuel Jean Candès (Stanford)**  
Reliable Predictions? Counterfactual Predictions? Equitable Treatment? Some Recent Progress in Predictive Inference.
